Virtual Retreat Zoom Protocol

- 1 - You will need to log onto the Zoom Session between 7:45-8:00 pm due to the large number of participants. Do not share your invite. Those who are registered will be sent one.
- 2 - Each computer attendee will enter a waiting room and will wait until you are invited to enter the Zoom Session by the DRE of your parish
- 3 - At 8:05 the session will be locked, and no one will not be able to enter.
- 4 - Please have your name as the screen name, this helps me tremendously!
- 5 - Sign in through the "Chat" with your name, parish, town
If you are a Sponsor – also tell us the student's name you are sponsoring
- 5 - You need to mute your speaker and turn your video on during the session.
If you are not able to turn your video on you need to be in contact with your Parish DRE before the session, so that they will allow you to stay in the session.
If this has not be arranged ahead of time you will be deleted from the session
- 6 - During the Sessions it will be important to see you on the screen
- 7 - When breakout rooms are used it will be necessary for all participants to unmute.

Again, thank you for the opportunity to journey with you and your child on this adventure of faith. If you have any questions, concerns or other needs please contact me, and we will see what we can do together!

Blessings on you and your family,

Sr. Suzanne Thibault, C.A.
